

Galvanized

Vinyl Coated

- For marine applications
- Oversized oblong end links to accommodate screw pin anchor shackles
- Galvanizing provides excellent resistance to rust and sea water corrosion
- Vinyl coated leads have galvanized links that are individually coated with white vinyl to protect deck finishes

- The lead is fully flexible and easy to handle and store
- All but three of the leads are packaged in handsome polybags with descriptive headers; anchor lead chain is also available in pails
- Order unit is "each"

⚠ ADVERTENCIA

Para prevenir la posibilidad de una lesión personal sería:

- **NO EXCEDA** los límites de carga de las cadenas o componentes.
- **NO LA UTILICE** para cargar hacia arriba o para izar.
- **NO LA UTILICE** si la cadena o los componentes están visualmente distorsionados o gastados.

⚠ WARNING

To prevent the possibility of serious bodily injury:

- **DO NOT EXCEED** the working load limits for chain or components.
- **DO NOT USE** for overhead lifting or hoisting.
- **DO NOT USE** if the chain or components are visibly distorted or worn.
