

F-Conn DB Connector Series

New!

Patented DB 360 Compression Connectors Work As A Complete System

A complete system with specialty bubble connectors for F, BNC, RCA and hard-to-find Plenum, and our unique CPLCRBC radial bubble compression (RBC) tool. Get an extraordinarily solid connection!

- The DB 360 Compression Connection System creates **two 360° compression connections** (one interior and one exterior) providing a **permanent, "double bubble" connection**.
- Ideal for security cameras and other exposed wiring installations. The unique double bubble connection **provides superior protection against moisture leakage limiting poor signal quality due to the elements**.
- All this in **one complete system!**
